The Children's Hospital of Philadelphia Foundation is a charitable, 501(c)(3) nonprofit organization. Federal tax laws require that we inform you whether or not goods or services have been provided to you by The Children's Hospital of Philadelphia in exchange for your gift. Unless otherwise noted, no goods or services were provided in consideration of this gift.

Brayden was diagnosed with a twisted small intestine before birth at our Center for Fetal Diagnosis and Treatment. He was born in the Garbose Family Special Delivery Unit and had surgery to repair his bowel the next day. After three weeks in intensive care, he went home healthy.
